

2014 Interagency Disability Allied Health Videoconference Calendar

Presented to you byWA Country Health Service (WACHS), Disability Services Commission (DSC), The Centre for Cerebral Palsy (TCCP), Independent Living Centre (ILC), Rehabilitation Engineering Clinic (REC), State Child Development Centre (SCDC) and Princess Margaret Hospital (PMH)

A range of videoconference education sessions have been developed for rural and remote allied health professionals. Most videoconferences will be recorded and uploaded onto the WACHS Allied Health Intranet [Clinical Education Portal](#).

More information will follow approximately **one month prior to each VC** when a flyer containing more detailed information will be distributed (including registration forms).
